

**GUARDIAN<sup>®</sup>**

**Always on Duty.**

**Delivering Efficiency, Strength and Rock Solid Value.**

# The Efficiency You Want. The Reliability You Need.

Feeling confident—that's what a Guardian® central heating and cooling system stands for. That's because we deliver tested durability, money-saving efficiency and outstanding value backed by strong warranties. Combined with the expertise of your Guardian® Contractor, you can count on a professional installation that will be Always on Duty for years to come.

## Air Conditioners

### Proven efficiency with up to 15.2 SEER2 performance

Packs major cooling performance in a compact outdoor cabinet.

**TRIM:** Space-saving advanced coils pack more efficiency in less space.

**RUGGED:** Heavy-duty compressor provides pressure and temperature protection, plus permanently lubricated fan motor that does not require annual servicing.

**QUIET:** Enjoy quieter fan operation and better air quality inside.

**ADAPTABLE:** Single- and three-phase models available.

## Heat Pumps

### All-season performance with up to 15.2 SEER2 cooling and 8 HSPF2 heating efficiency

Delivers year-round comfort with reliability that handles all seasons.

**ADVANCED:** Innovative demand-defrost system increases efficiency and performance in cold weather.

**PROTECTION:** Rugged copper tube and aluminum fins are protected by a durable coil guard.

**TOUGH:** Heavy-duty compressor and fan motor withstand demanding, year-round operation.

## Gas Furnaces

### Outstanding 95% AFUE efficiency Solid 80% AFUE performance

Our 95% AFUE model saves energy even on the coldest days with up to 40% higher efficiency than older furnaces. Or go with our 80% AFUE model that fits naturally vented homes with a chimney.

**SOLID:** Aluminized tubular steel heat exchanger combines superior corrosion resistance and maximum efficiency.

**ADVANCED:** Integrated control module ensures reliable, safe operation while increasing fuel efficiency.

**COMPACT:** Small 33-inch size is a perfect fit for limited-space applications.

**DURABLE:** Powder-coated paint on heavy-gauge, pre-painted galvanized sheet metal creates a durable and strong cabinet without sharp edges.

**STEALTHY:** Quiet operation minimizes operating noise in your living space.

**SAFE:** Hot surface ignition eliminates the need for a pilot flame, giving you greater peace of mind.

## Residential Package Equipment

### Compact 13.4 SEER2 cooling and 81% AFUE heating performance

Combines electric cooling with electric or efficient gas heating in one compact outdoor package that saves space indoors.

**TRUSTWORTHY:** Gas models use proven spark ignition, and corrosion-resistant multi-port in-shot burners ensure long-term reliability.

**ADVANCED:** Cooling coil features rifled copper tubing and enhanced aluminum fins to improve heat transfer so you stay more comfortable for less cost.

**BRILLIANT:** Resists rust and corrosion with tubular stainless steel heat exchanger for longer system life.

**FLEXIBLE:** Single- and three-phase models available.

# QUALITY IS SOMETHING WE TAKE PERSONALLY

When it comes to building Guardian® products for our friends and neighbors, we believe in focusing on quality at every stage, with every product. That's why we closely monitor and improve processes that directly affect quality. It's this commitment to excellence that allows us to offer outstanding warranties, meet the highest industry standards and deliver energy-saving comfort that lasts a lifetime. That's why, when it comes to home comfort, Guardian® is the brand always on duty.

## Air Handlers and Evaporator Coils

### Perfectly matched components make a perfect fit

Our super-quiet, highly efficient single-piece air handler evenly supplies conditioned air throughout your home, thanks to an advanced motor design and fully insulated cabinet that reduces noise and summer sweating. And for chilly nights when extra warmth is desired, backup electric heat is also available. Our evaporator coils are “compatibility engineered” to match and operate perfectly with your Guardian® cooling or heating system.

## Product Specifications

MODEL	DESCRIPTION	CAPACITY	LIMITED WARRANTY
<b>FURNACES</b>			
<b>RGF19-E</b>	95% AFUE	40-120 MBH Input	Lifetime Heat Exchanger*/10-Year Parts**
<b>RGF1L-E</b>	80% AFUE	40-130 MBH Input	20-Year Heat Exchanger/10-Year Parts**
<b>SPLIT SYSTEM AIR CONDITIONERS</b>			
<b>RAC150</b>	15.2 SEER2	1.5-5 Tons	5-Year Compressor/5-Year Parts**
<b>RAC143</b>	14.3 SEER2	1.5-5 Tons	5-Year Compressor/5-Year Parts**
<b>RAC134</b>	13.4 SEER2	1.5-5 Tons	5-Year Compressor/5-Year Parts**
<b>SPLIT SYSTEM HEAT PUMPS</b>			
<b>RHP150</b>	15.2 SEER2/8 HSPF2	1.5-5 Tons	10-Year Compressor/10-Year Parts**
<b>RHP143L†</b>	14.3 SEER2/7.5 HSPF2	1.5-5 Tons	10-Year Compressor/10-Year Parts**
<b>AIR HANDLERS</b>			
<b>RFC</b>	Single piece with ECM motor	1.5-5 Tons	10-Year Parts**
<b>JMET</b>	Modular design with ECM motor	1.5-5 Tons	10-Year Parts**
<b>RESIDENTIAL PACKAGE EQUIPMENT</b>			
<b>PCE4†</b>	13.4 SEER2 cooling	2-5 Tons	10-Year Compressor, Parts, Electric Heat
<b>PCG4†</b>	13.4 SEER2 cooling/81% AFUE gas heating	2-5 Tons	10-Year Heat Compressor, Parts/Lifetime Heat Exchanger*
<b>PHE4†</b>	13.4 SEER2 cooling/ 6.7 HSPF2 heat pump heating	2-5 Tons	10-Year Compressor, Parts, Supplemental Electric Heat
<b>PHG4</b>	13.4 SEER2 cooling/6.7 HSPF2 heat pump/ 81% AFUE gas heating	2-5 Tons	10-Year Compressor, Parts, Supplemental Electric Heat/Lifetime Heat Exchanger*

For additional product details, such as weight and dimensions, visit [www.GuardianHomeComfort.com](http://www.GuardianHomeComfort.com) or ask your Guardian® Contractor.

\* For lifetime heat exchanger limited warranty, system must be registered online within 90 days of installation. Otherwise, the warranty reverts to the standard 20-year heat exchanger limited warranty.

\*\* For 10-year parts and compressor limited warranties, system must be registered online within 90 days of installation. Otherwise the warranty reverts to the standard warranty as published in the product warranty certificate. (Three-phase models do not qualify for the 10-year warranty. Three-phase models have a 1-year parts and a 5-year compressor warranty.)

\*\*\* Requires high-efficiency ECM motor indoor unit.

† 3-phase models available.
